This lightweight cream for keeping frizz under control while maintaining that moisture

All the Natural Goodness of Garlic Without the Scent!

Your customers now have a solution for the problem of slow, sluggish hair growth. NAAT Garlic Magic is developed with garlic extract and will restore hair to a strong, healthy and natural state. This beautifully balanced collection is suitable for all hair types especially for those struggling with fragile, slow-to-grow hair.

Benefits of Naat Garlic:

- o Restores hair to a strong, healthy and natural state
 - o Formulated with garlic extract
 - o Fresh, clean scent. No garlic smell
 - o Fights dandruff, excessive oiliness and hair loss
 - o Suitable for all hair types.
- Ideal for slow-to-grow and fragile hair
